Calendar: 7/10/2019 1:30 p.m. - John L. Burton Hearing Room (4203) SENATE HEALTH, PAN, Chair

Summary: Current law requires that individuals under 19 years of age enrolled in restricted-scope Medi-Cal at the time the Director of Health Care Services makes a determination that systems have been programmed for implementation of these provisions to be enrolled in the full scope of Medi-Cal benefits, if otherwise eligible, pursuant to an eligibility and enrollment plan, which includes outreach strategies. Current law makes the effective date of enrollment for those individuals the same day that systems are operational to begin processing new applications pursuant to the director's determination, and requires the department to seek any necessary federal approvals to obtain federal financial participation for purposes of implementing the requirements. Current law requires that benefits for services under these provisions be provided with state-only funds only if federal financial participation is not available for those services. This bill would extend eligibility for full-scope Medi-Cal benefits to individuals of all ages, if otherwise eligible for those benefits, but for their immigration status, and would delete provisions delaying eligibility and enrollment until the director makes the determination as specified.

1st House				2nd House							

Summary: Current law authorizes a court to issue an ex parte gun violence restraining order prohibiting the subject of the petition from having in their custody or control, owning, purchasing, possessing, or receiving, or attempting to purchase or receive, a firearm or ammunition when it is shown that there is a substantial likelihood that the subject of the petition poses a significant danger of self-harm or harm to another in the near future by having in their custody or control, owning, purchasing, possessing, or receiving a firearm, and that the order is necessary to prevent personal injury to the subject of the petition or another, as specified. Current law authorizes renewal of a gun violence restraining order within 3 months of the order's expiration. Petitions for ex parte, one-year, and renewed gun violence restraining orders may be made by an immediate family member of the person or by a law enforcement officer. This bill would, commencing September 1, 2020, similarly authorize an employer, a coworker who has substantial and regular interactions with the person and approval of their employer, or an employee or teacher of a secondary or postsecondary school, with approval of the school administration staff, that the person has attended in the last 6 months to file a petition for an ex parte, one-year, or renewed gun violence restraining order.

Calendar: 7/9/2019 1:30 p.m. - State Capitol, Room 4202 ASSEMBLY HEALTH, WOOD, Chair

Summary: Current law requires the State Department of Public Health to conduct a program for the control of high blood pressure, also known as hypertension and that includes pulmonary hypertension. This bill would require the department to establish a pulmonary hypertension task force for the purpose of aggregating and disseminating the latest information and research relating to pulmonary hypertension, as specified.

Summary: The California Constitution generally limits ad valorem taxes on real property to 1% of the full cash value of that property. For purposes of this limitation, “full cash value” is defined as the assessor’s valuation of real property as shown on the 1975–76 tax bill under “full cash value” or, thereafter, the appraised value of that real property when purchased, newly constructed, or a change in ownership has occurred. The California Constitution specifies various transfers that are not deemed to be a “purchase” or “change in ownership” of a property for these purposes, including the purchase or transfer of a principal residence from parents to their children, or, under certain circumstances, from grandparents to their grandchildren, and the purchase or transfer of the first \$1,000,000 of the full cash value of all other real property transferred from parents or grandparents to their children or grandchildren. This measure would limit the above-decried \$1,000,000 exclusion for purchases or transfers of real property other than a principal residence to purchases or transfers of nonresidential real property.
